

NU-SHIELD N SHINE

WHAT YOU AND YOUR CAR DESERVE

The minute you drive your beautiful new vehicle out of the dealership it is subjected to the hazards of our roads and harsh Australian climate. Your car has to combat insects, bird droppings, tree sap, dust particles, bad weather and UV rays just to name some of the things that can damage the beautiful finish of your new vehicle.

These elements can ruin paint and shine quickly and WORST of all it will diminish your vehicles resale VALUE!

Of course there are permanent paint sealants available from your dealership that guarantee against the damaging effects of our environment and they are excellent...however if you can't stretch yourself but still want a Guaranteed product and your willing to do a little work (or if you enjoy polishing your vehicle) **Nu-Shield N Shine** is for you!

Nu-Shield N Shine Paint Protection with Hydrophobic Nano Particals offers a fantastic solution for your car as a semi permanent sealant that gets reapplied every 6-12 months, [pending vehicle usage], that comes with a lifetime guarantee* at a fraction of the price. Protection to maximise the value and enjoyment of your new vehicle.

Because you and your car deserve it!

NU-SHIELD N SHINE

WHAT YOU AND YOUR CAR DESERVE

- Seals your cars paint against oxidation, UV rays, fading, acid rain, insects, bird droppings, tree sap and more.
- Enhanced hydrophobic effect to help make cleaning a breeze, much less frequent and more effective.
- Imparts a diamond hard, ceramic-like layer of glossy protection.
- Very easy to apply, no hard rubbing or buffing!
- Produces NO powdery residue while leaving behind a lustrous durable, water and grime repellent shine.
- Everything you need to maintain the optimal condition and appearance of your car's paint.
- Guaranteed to PERFORM as a glossy protectant for as long as you reapply every 6-12 months.

*** Lifetime Warranty covers any damage from Bird droppings, tree sap and acid rain.**

DIY is an option that car care enthusiasts should consider, if you use wax or sealants as part of a regular car care regime. The application of this long-term protection product is easier and quicker than using regular waxes and sealants.

If you choose the DIY option, rest assured this system although no warranty is given, and you follow the instruction, you will enjoy all the benefits from this amazing paint protection system. Your dealer will register you in our system and we will send you great information on our Valued Customer Promo's, as well as the opportunity, at any time, to take up our offer to qualify for the lifetime warranty.

Warranty only available if first application is applied via authorised dealer and owner regularly uses Nu-Line Shampoo and reapplies Nu-Shield N Shine every 6-12 Months.

Nu-Shield N Shine will emailed or text you with confirmation of registration along with your warranty and all the conditions of warranty. Nu-Shield N Shine will contact you periodically to remind you of your obligations to maintain your lifetime warranty.
