

CAR

"BUDDY" TRACKER

IN AUSTRALIA OVER 1000 VEHICLES ARE STOLEN EVERY WEEK

What if it was your vehicle? What if you'd left your laptop in your car? Or your tools for work? Or your car is a classic that cannot be replaced? What if you'd parked it at the train station at 6am, its now 7pm AND IT'S GONE?

Don't let this happen to you! Don't become a statistic and be left with the real challenge of not having your vehicle; the inconvenience of NO CAR, losing your possessions, paying an excess, filling in all that paper-work for your insurance claim AND now paying a higher premium.

BE PROACTIVE AND PROTECT YOURSELF FROM THESE ALL TOO FAMILIAR PROBLEMS!

My BuddyGard GPS tracking products and services will provide you with greater freedom, security

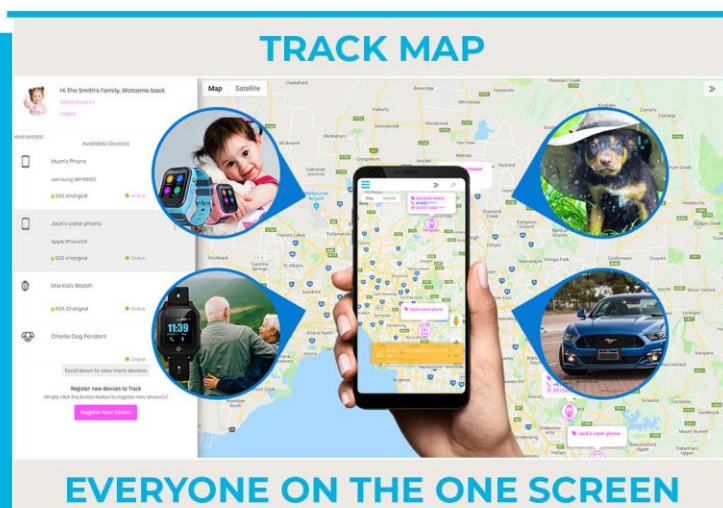

- ✓ Australian owned and operated! - The tracking company with the GREAT REPUTATION – We've got this!
- ✓ Personalised and manufactured with multitude of functions
- ✓ Made with intuitive technology to guarantee ease of use
- ✓ Tracker is concealed so unable to be detected by a thief at first glance!
- ✓ Did we mention it uses 4G network? Best tracking coverage available!

BE PART OF THE SOLUTION AND GET YOURSELF A "CAR BUDDY"

IT'S ALWAYS BETTER TO BE PREPARED THAN SORRY!

FEATURES & BENEFITS

- ✓ **'Track Map'** – everyone on the one screen! No more swapping from one app to another. You can have multiple devices: Kids trackers, Adult trackers (elderly parent with dementia), several Car Buddy trackers & all your MBG GO devices ALL on the same map for simplicity and time efficiency (paramount in an emergency)!
- ✓ **Rules Engine** – Our unique feature allows you to fully customise your tracking experience! Add your own rules, triggers and notification options (sms/email). Set across your entire fleet or individually per Buddy. You can set alerts for perimeter breach, low battery etc
- ✓ **SOS button** – for your personal safety! Hit the button and it will instantly alert your support network so you can be found straight away. Car Buddy secures your car AND protects you personally!
- ✓ **Real Time Tracking** – exactly when you need it.
- ✓ **No charging required** – Automatic charging via car battery
- ✓ **Optional Immobiliser Capabilities** – disable the vehicle via your phone (when in a stationary position only for safety reasons).
- ✓ **Set boundary alerts** – You can set multiple geo fences (safe zones and 'no go' zones) and be alerted the instant one is breached.
- ✓ **Email/Text alert notification** – for triggers including low battery, power disconnections, device detachment (about to be stolen).
- ✓ **Speed** – View the current speed of your vehicles & assets.
- ✓ **Speed Alerts** – Set the Track Map to notify you as soon as the set speed limit is exceeded via SMS and/or Email
- ✓ **4G Network** – All of the My Buddy Gard GPS trackers operate using 4G ensuring the best coverage available!
- ✓ **3 months of stored location history** – look back over to discover a pattern of behaviour.
- ✓ **Fleet overviews** – 'Track Map' allows you to see your entire fleet on one screen!
- ✓ **Save time & money** – on fuel by assigning your closest tradie to a job!
- ✓ **Save on insurance** premiums and excess – save money!
- ✓ **Protect your valuables in your car** – you want it back right?
- ✓ **Low monthly fees** – makes it the affordable choice.
- ✓ **Apple or android compatible** – we won't judge!
